

Request for Quotation

Required product: 4WD truck

**Delivery place: Department of National Parks, Wildlife and Plant Conservation
No. 61 Phaholyothin Road, Chatuchak, Bangkok 10900**

Ladies and Gentlemen,

The SUPA project has the objective promote the sustainable management of peatlands in the ASEAN region through collective actions and enhanced cooperation to support and sustain local livelihood, reduce the risk of fire and associated haze and contribute to global environmental management. The expected results of the SUPA project comprise of (1) enhanced capacity on ASEAN level and identification of ASEAN peatland areas, (2) fire prevention and peatland rehabilitation, (3) sustainable management, enhanced livelihood and maintaining economic values, and (4) maintain ecological function & biodiversity and reduce GHG emissions.

The SUPA project requests each bidder to offer a 4WD truck equipped with fiberglass canopy for carrying equipment according to the minimum specifications as stated in the Terms of Reference. The offer shall contain the price per unit and the overall price with confirmation that the company can and will provide after-sales services including the maintenance of the vehicle.

Bid submission

The interest suppliers are requested to submit quotation in PDF format to the email address:

TH_Quotation@giz.de Bid should be submitted on or before (8 December 2023 at 06.00 PM.).

Please make sure to clearly state the “**Tender/Inquiry 91174882_4WD Truck**” in the subject of an email. The offers received via th_quotation@giz.de may only be accepted. Offers received via other email or CC GIZ staff e-mail accounts and/ or in hardcopy are excluded from the award.

For further query, please send it through email th_quotation@giz.de

For transparency, kindly do not send questions or proposal direct to or cc GIZ staff.

Please see Specification below for your consideration.
