

Tender: Consulting Service
Open for Local Consulting firms in Laos and regional: Thailand, Vietnam, Cambodia

Country: Lao People's Democratic Republic
Organisation: Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH
Address: GIZ office Vientiane, House 247/Unit 19, Thaphalanxay Village, Sisattanak Watnak Nyai Road, District PO Box 9233, Vientiane Capital, Lao PDR

Title or Assignment: Monitoring & Evaluation and Safeguard Management, Lao PDR

Project: CliPAD (PN: 18.2092.7-004.00, ref: 83463214)

Scope of Work:

The aim of the "Climate Protection through Avoided Deforestation" (CliPAD) project is the implementation of the Lao PDR Emission Reductions Program through improved governance, sustainable management of forests, landscapes and agricultural resources. Working together, authorities at national and sub-national levels as well as non-state actors will improve conditions for sustainable forest management and specifically for Reducing Emissions from Deforestation and Forest Degradation (REDD+).

With the support of a consultancy, the project team in Laos has already developed a web-database – a tool that bundles all Monitoring and Evaluation (M&E) activities and monitors the compliance with GIZ and Green Climate Fund (GCF) Environmental and Social Safeguards (ESS), including Safeguard Monitoring and operationalization of the Grievance Redress Mechanism (GRM). The tool has been used very successfully over the past four years.

Due to the project's extension by one year, a new consultancy team is now being sought to carry out the previous activities until May 2025.

Main Tasks:

- Work package 1: Contribute to the overall success of the project by tracking all Monitoring and Evaluation activities and maintaining a web-database with up-to-date project data;
- Work package 2: Collect, verify, and input data into the web-database, ensuring accuracy and completeness;
- Work package 3: Provide support for reporting activities, including data analysis and report preparation, while also offering capacity building and knowledge transfer to project staff and stakeholders.
