

Announcement – Call for Interest

As an international cooperation enterprise with worldwide operations, the German government owned Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH operates on behalf of German ministries, the governments of other countries and international clients to provide tailor-made, cost-efficient, and effective services for sustainable development. We are looking for **an expert/consultant (individual person)** to provide consultancy service for **Short-term Advisor on Climate Finance for Climate, Coastal and Marine Biodiversity (CCMB)**.

Short-term Advisor on Climate Finance

Within this assignment, the Appraiser (an individual consultant) will support the Climate, Coastal, and Marine Biodiversity Project (CCMB) and the project's partner – Department of Climate Change and Environment's (DCCE) climate finance team in better engaging in climate finance, fiscal and financial policy discussions at the national and international level. The contractor is responsible for providing the following services:

- Formulate (initial) technical inputs and assessments in regard to green growth development, climate and sustainable finance development, climate-friendly policy instrument development, climate-friendly economic cooperation, and other topics related to LTS, NDC, NAP, climate-related policy implementation.
- Identify relevant stakeholders within and outside DCCE to coordinate inputs and lead the coordinate processes.
- Perform information research on climate finance related topics as discussion basis for the DCCE and CCMB.
- Streamline different inputs to formulate DCCE's recommendation.
- Prepare and follow up on the meetings relevant to the climate finance / green economy issue, this includes but not limited to drafting minutes of meetings, letters, and summarize of related materials on the subjects mentioned above, etc.
- Provide DCCE staff with basic understanding of climate finance in form of training, guideline, etc. and conduct work plan on climate finance with the DCCE.

Qualifications:

In the bid, the bidder is required to provide personnel suited to filling the positions described, based on their CVs, the range of tasks involved and the required qualifications. For a shortlisted candidate, GIZ might ask for a short meeting to clarify questions and expectations.

- Technical experience
 - Experience in climate-related governmental policy and plan advisory services
 - Experience in green economic development and/or green finance development
 - Knowledge about international climate processes (UNFCCC)

- Knowledge about international climate finance discussions (Bridgetown Agenda, Blended Finance)
- Good business language skills in English and Thai; proven knowledge on / experience with government language is a plus
- Regional experience
 - Experience in the regional and/or knowledge about Thailand – At least 5 years of professional experience in Thailand; regional and international cooperation experience is a plus; proven knowledge on Thai government system and process is a plus.

This will be an assignment-based contract, with a period of 19 months from June 2024 to December 2025 tentatively, with possibility to change period in case delay of tender process.

If you are interested, please confirm your interest via email to TH_Quotation@giz.de within 26 May 2024. Kindly put email **Subject: “Call for Interest 83464316”** and attach your expert CV/ company profile.

Tender bidding process will be carried out after the Call for Interest. Invitation for Bidding will be sent out by end of May.
