## SKILLS DEVELOPMENT AWARD

After the successful launch of the Skills Development Award in 2019, the ASEAN Business Advisory Council has integrated it as one of the main award categories in the ASEAN Business Awards.

In 2022, under the chair of ASEAN Business Advisory Council Cambodia, GIZ-RECOTVET continues supporting the organisation of the Skills Development Award that honours outstanding businesses that have demonstrated a significant contribution to human resources development in ASEAN. Applicants are capable of developing a skilled workforce, especially considering the expected impacts of Industry 4.0 for a competitive and dynamic ASEAN economic community.

### Why join?

Next to opportunities for business development, the ABA Skills Development Awards provides you with a highly recognised validation and official appreciation for your company's engagement in skills development. Further, you will be awarded with an **exclusive PR campaign** portraying your outstanding commitment supported by GIZ's RECOTVET programme. Moreover, this year the winners will be offered participation in **trainings for change agents for digital transformation** at ASEAN standard.

**Send out you application today and don't miss this great opportunity!**

### Who can apply?

- **Be an ASEAN-incorporated enterprise** with at least 40% ASEAN-owned equity;
- **Be in operations** for a minimum of 3 (SMEs) to 5 (Large companies) years;
- **Preferably** have 2 (SMEs) to 3 (Large companies) years of audited financial statements;
- **Previous winners** of the award are eligible to apply again after 3 years.

### What are the criteria?

1. **Impact** on human resources development through improvements of the quality of skills of the workforce
2. **Cooperation** with governments or training institutions
3. **Innovation and replicability** in other sectors or ASEAN member states
4. **Sustainability** financially and institutionally
